

The Italian Flight Safety Committee is an independent, non political, non profit, italian organization of safety and quality experts dedicated to the improvement of aviation safety.

It has been instituted by the end of 1999 with the aim to enhance flight safety culture and to ensure safety standards be constantly adequate to the increasing air traffic.

The Italian Flight Safety Committee main objective is to contribute to promote flight safety through:

- skills and know-how improvement
- positive cooperation with aviation Authorities
- sharing knowledge and experience amongst operators and, at the same time, being the interlocutor with fellow organizations in aeronautically more developed countries.

The members are specialists coming from:

Air Dolomiti	Minerva Airlines
Air Europe	Volare Airlines
Alba Aerotrasporti	Helitalia
Alitalia	Atitech
Alitalia Express	Aeroporti di Roma (AdR)
Alpi Eagles	Società Esercizi Aeroportuali (SEA)
